Unknown Friends.

There are many people who have used Chamberlain's Colic, Cholera and Diarrhoea Remedy with splendid results, but who are unknown because they have hesitated about giving a testimonial of their experience for publication. These people, however, are none the less friends of this remedy. They have done much toward making it a household word by their personal recommendations to friends and neighbors. It is a good medicine to have in the home and is widely known for its cures of diarrhoea and all forms of bowel trouble. For sale by Riter Bros. Drug Store.

Cutting Affray

Last Friday night at the Ed. Campbell farm northwest of this city, Harry Tomaka, a Japanese laborer, assaulted Tom Yokastama, another Jap, with a razor, cutting four gashes about his face and neck. The point of the razor was broken on Tom's teeth in one of the slashes and thus prevented the last gash from severing the jugular vein. Constable T. E. Secrist and Marshal Henrie arrested both of them Saturday and the complaint of assault with a deadly weapon was sworn to by T. E. Secrist before Judge Vansandeln. They were released on \$500 bonds till the preliminary hearing which was to be held Wednesday of this week, but it has been postponed until Wednesday, June 27. Sentencing a criminal for a crime of this nature is out of Judge Vansandeln's jurisdiction, but if the evidence justifies the complaint sworn to, the case will be bound over to the District Court.
